OPTISERV ACCENT<sup>™</sup> 700 SERIES HANDS-FREE DISPENSING SYSTEM

**INTRODUCING, A NEW SMALL FOOTPRINT ROLL TOWEL SYSTEM WITH ALL THE BENEFITS OF A LARGE DISPENSER PACKED INTO A UNIT SMALL ENOUGH TO FIT BELOW A CABINET AND OVER THE COUNTERTOP.**

Due to the space constraints in many facilities, the standard size roll towel dispenser is too large forcing the facility to use more costly and less efficient folded towels. Now, small spaces can benefit from all the advantages of a roll towel system with the OptiServ Accent<sup>™</sup>.

## EDUCATION

Whether in the classroom, the science lab or the nurse's office, the OptiServ Accent<sup>™</sup> is the right answer for the education market. Its reversible cover and small size allow it to fit into tight spaces that would prevent the use of larger roll towel dispensers.

## HEALTHCARE

The OptiServ Accent<sup>™</sup> is ideal for hospital rooms, nursing homes and outpatient clinics. It's the perfect small space solution in these healthcare settings since a clean towel is dispensed every time without touching the dispenser, reducing the risk of cross contamination.

## OFFICE BUILDINGS

Businesses will profit from placing the OptiServ Accent<sup>™</sup> in break rooms, restrooms and anywhere that a small space towel dispensing solution is needed.

THESE **SMALLER DIAMETER ROLL TOWELS** HAVE BEEN DEVELOPED SPECIFICALLY FOR THE **OPTISERV ACCENT<sup>™</sup>**. THEY WILL ALSO FIT INTO ANY **WAUSAU PAPER** CONTROLLED USE ROLL TOWEL DISPENSER.

## ADA Title III Compliant

The OptiServ Accent<sup>™</sup> Dispenser is ADA Title III compliant when installed according to the guidelines outlined in the ADA Standards for Accessible Design. Paper is easily dispensed from the OptiServ Accent<sup>™</sup> with one hand, with less than 5 lbs of force, and without tight grasping, pinching or twisting of the wrist.
