# Silhouette® Controlled-Use Tissue Dispensers

Wausau Paper offers the patented OptiCore® technology for reducing maintenance time and costs.

Our OptiCore® technology, combined with our Revolution® and Dubl-Serv® dispensing systems, ensures maximum use of each roll in the dispenser before advancing to the next roll. This “controlled use” reduces product waste and cost.

## Dubl-Serv® Vertical 2-Roll Tissue Dispenser

The Dubl-Serv® 2-roll vertical tissue dispenser is ideal for applications where horizontal space is a consideration. It will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs. The dispenser provides easy access to the product with open, front-facing tissue. The Dubl-Serv® is designed for high-capacity applications and features a locking cover to prevent product pilferage and waste. When installed according to the ADA guidelines, the Dubl-Serv® is ADA Title III compliant; tissue being easily dispensed with one hand, with less than 5 lbs. of force, and without tight grasping, pinching or twisting of the wrist. The Dubl-Serv® dispenser is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

## Dubl-Serv® Side-by-Side 2-Roll Tissue Dispenser

The Dubl-Serv® 2-roll side-by-side tissue dispenser will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs. The enclosed, front-facing tissue is kept clean and hygienic, but easily accessible. The Dubl-Serv® is designed for high-capacity applications and features a locking cover to prevent product pilferage and waste. When installed according to the ADA guidelines, the Dubl-Serv® is ADA Title III compliant; tissue being easily dispensed with one hand, with less than 5 lbs. of force, and without tight grasping, pinching or twisting of the wrist. The Dubl-Serv® dispenser is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

## Revolution® 3-Roll Tissue Dispenser

The Revolution® 3-roll tissue dispenser is designed for high-capacity controlled-use dispensing of OptiCore® tissue products to maximize maintenance time and cost savings. When one roll of tissue is used, simply turn the dial to advance to the next roll. It's that simple to use. The Revolution® features a locking cover to prevent product pilferage and waste. When installed according to the ADA guidelines, the Revolution® is ADA Title III compliant; tissue being easily dispensed with one hand, with less than 5 lbs. of force, and without tight grasping, pinching or twisting of the wrist. The Revolution® dispenser is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

# Controlled-Use OptiCore® Tissue

**OPTICORE®**  
TECHNOLOGY

## OptiCore® Features

- A** OptiCore® technology offers a two-part core for controlled-use and more than 25% reduction in core material for more environmentally preferable packaging
- B** High sheet count for maximum capacity
- C** Attractive premium floral embossing pattern

## DublSoft®

DublSoft® premium 2-ply bath tissue is for those customers who demand the maximum in strength, brightness and softness. Bay West® brand DublSoft® products will meet that demand. This tissue also offers an attractive premium embossing pattern that any customer can appreciate. DublSoft® packaging is designed for the most upscale applications and is an attractive addition to any décor.

## Dubl-Nature®

Dubl-Nature® tissue offers superior quality with a stylish and sophisticated appearance. Dubl-Nature® products are made from a superior grade of 100% recycled wastepaper for exceptional brightness and overall quality. Featuring consumer-like embossing and environmentally preferable packaging, Dubl-Nature® tissue is ideal for a wide range of applications.

## EcoSoft™ Green Seal™

EcoSoft™ Green Seal™ bath tissue is certified as environmentally preferable by Green Seal, Inc., in Washington, DC. Made from 100% recycled fiber with up to 49% post-consumer waste content, EcoSoft™ Green Seal™ far exceeds the EPA guidelines. The tissue products also feature environmentally preferable packaging.

Dubl-Nature® and EcoSoft™ Green Seal™ products are Authentically Green™.

Dubl-Nature® and EcoSoft™ Green Seal™ towel and tissue products are made from 100% recycled wastepaper and are certified by Green Seal, Inc. in Washington, DC.

[www.wausaupaper.com](http://www.wausaupaper.com)

The "Green Seal" means our products meet the Green Seal environmental standards for paper towels and tissue, making our Authentically Green™ products among the most environmentally preferable towel and tissue lines available in the away-from-home market. To achieve and maintain the Green Seal certification, our towel and tissue products are continually subjected to rigorous evaluation and testing, along with a quality-control audit of our papermaking processes at our mill in Middletown, Ohio.

Green Seal's environmental evaluation uses both qualitative and quantitative measures to ensure maximum product quality and performance, with minimal impact on the environment in manufacturing.

Green Seal™ is a trademark of Green Seal, Inc. in Washington DC. Used by permission.
