

Silhouette® Controlled-Use

Dispensing Systems — 700 Series

Silhouette® Controlled-Use Dispensers

Wausau Paper® Silhouette® dispensers reduce maintenance and lower costs while providing an elegant, coordinated washroom appearance.

ROLL TOWEL DISPENSING SYSTEMS

ROLL TOWEL DISPENSERS CONTROL USE AND LOWER COSTS

Uncontrolled roll towel dispensers promote unlimited use, waste and pilferage. Controlled roll towel dispensers with pre-measured dispensing control costs by reducing towel consumption 20% over uncontrolled roll towels.

SEE-THROUGH STYLING REDUCES MAINTENANCE

Silhouette's® modern, translucent styling allows service staff to see at a glance when it's time to refill. Large capacity Silhouette dispensers go longer between refills to minimize the chance of washroom run-out.

ATTRACTIVE, DURABLE DESIGN

Silhouette® dispensers complement any décor. Sturdy plastic construction makes them durable as well as attractive to withstand years of commercial use.

OPTISERV HYBRID® ROLL TOWEL DISPENSERS

The unique OptiServ Hybrid® roll towel dispenser offers the benefit of electronic touch-free dispensing, as well as the convenience of hands-free mechanical dispensing when desired. To operate the dispenser, either wave to activate the sensor or pull the slightly exposed towel. The OptiServ Hybrid® delivers a pre-measured 11-inch towel to discourage waste. This versatile dispenser is ideal for public restrooms, food preparation areas, office buildings, and healthcare facilities where cross-contamination could be a concern. The OptiServ Hybrid® is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

WAVE'N DRY® ROLL TOWEL DISPENSERS

With the Wave'n Dry® dispenser, the only thing you touch is your personal towel. The towel is stored fully protected inside the dispenser until you request service by passing your hand or arm underneath the sensor. The sensor is pointed downward to allow the Wave'n Dry® to be installed in a variety of applications. Dispensing can be tailored to your facility's needs with 8", 11", 16.5" or 22" of toweeling dispensed with each wave. Additional features include quieter dispensing and a flexible battery holder. The Wave'n Dry® is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

COMPATIBLE™ ROLL TOWEL DISPENSERS

Fully loaded Compatible™ dispensers hold enough toweeling for more than 900 hand dries—twice the capacity of the average folded towel dispenser. This extra-large capacity allows Compatibles™ to go longer between refills, saving you costly maintenance time. Button-lever and lever models deliver a pre-measured 10 3/4-inch towel to discourage paper waste and give you maximum cost control.

Silhouette® Controlled-Use Dispensers

GRIZZLY® PULL AND TEAR DISPENSERS

The Grizzly® Pull and Tear dispenser offers the benefits of high-capacity dispensing in a compact dispenser size. It is smaller than conventional lever-style cabinets, but will hold roll towels in lengths of up to 800-feet, making them ideal for high-traffic applications where limited wall space is a consideration.

ADA Title III Compliant

By following the installation instructions outlined in the ADA Standard for Accessible Design, these dispensers are ADA Title III compliant. Paper is easily dispensed with one hand, with less than 5 lbs of force, and without tight grasping, pinching or twisting of the wrist.

OPTISERV® ROLL TOWEL DISPENSERS

The OptiServ® hands-free dispenser delivers a pre-measured 11-inch towel to control usage and promote cost savings. Since there is no need to touch the dispenser, the OptiServ® reduces contact with harmful bacteria and maintains hygiene. This sleek dispenser is designed for food preparation and high-traffic areas where waste reduction and cleanliness is important. The OptiServ® has a side-hinged door and emergency feed bar to simplify loading. The OptiServ® is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

SOAP DISPENSING SYSTEMS

OPTISOURCE CONVERTIBLE™ HAND CARE SYSTEMS

The OptiSource Convertible™ is a 1,250mL high-capacity comprehensive system that dispenses foam or lotion soaps and instant hand sanitizer. To provide users a choice, electronic and manual models are available. The electronic dispenser features a touch-free design to eliminate cross-contamination while the manual model features a large push bar for easy activation. Each model delivers a pre-measured dose of 1.0mL lotion and 0.75mL foam soap. For unmatched versatility, the OptiSource Convertible™ dispensers can be converted from manual to electronic and vice versa.

TISSUE DISPENSING SYSTEMS

optiCORE®

Wausau Paper's patented OptiCore® technology reduces maintenance time and costs.

The OptiCore® technology, combined with our Revolution® and Dubl-Serv® dispensing systems, ensures maximum use of each roll in the dispenser before advancing to the next roll. This "controlled-use" reduces product waste and cost.

OptiCore® technology offers a two-part core for controlled-use and more than a 25% reduction in core material for more environmentally preferable packaging. The high sheet count offers maximum capacity and reduces maintenance time.

3-ROLL TISSUE DISPENSERS

The Revolution® 3-roll tissue dispenser is designed for high-capacity controlled-use dispensing of OptiCore® tissue products to maximize maintenance time and cost savings. When one roll of tissue is used, simply turn the dial to advance to the next roll. It's that simple to use. The Revolution® features a locking cover to prevent product pilferage and waste. The Revolution® dispenser is available in five color choices and can be custom-imprinted for a unique, coordinated washroom appearance.

2-ROLL DUBL-SERV® TISSUE DISPENSERS

The Dubl-Serv® 2-roll side-by-side and vertical tissue dispensers will accommodate OptiCore® tissue products for controlled-use dispensing and optimum savings in maintenance time and costs. The vertical dispenser is ideal for applications where horizontal space is a consideration. The high-capacity Dubl-Serv® features a locking cover to prevent product pilferage and waste. Each dispenser can be custom-imprinted for a unique, coordinated washroom experience.

SOAP DISPENSERS

The 500mL, 1000mL, and 1200mL soap systems protect the soap in the dispensers so that each handwash is hygienic. Metered dispensing controls costs and reduces waste.

SEAT COVER DISPENSERS

The Silhouette® seat cover dispenser, combined with EcoSoft™ Green Seal™ 100% recycled seat covers, reduces maintenance and provides high quality service users expect. Users simply dispense one seat cover, use and flush. The Silhouette seat cover dispenser is available in five color choices to coordinate with matching colored Wausau Paper® towel and tissue dispensers.

Wausau Paper's controlled roll towels, tissue and soap are designed specifically to be used with controlled-use dispensing systems. Use them together to save maintenance time and costs.

DublSoft

DublSoft® Towels and Tissue

The embossed DublSoft® controlled roll towels and tissue are best suited for class A office buildings, hotel convention facilities, and healthcare facilities. Products feature superior softness, strength and absorbency and are designed for users who are greatly concerned with the image of their building. Use with our controlled-use dispensing systems to reduce maintenance time and waste.

- Consumer-like embossing
- Maximum softness & absorbency
- Premium image for upscale facilities

Dubl-Nature®

Dubl-Nature® Towels and Tissue

Made from a superior grade of 100% recycled wastepaper for exceptional brightness and absorbency, Dubl-Nature® is ideal for customers who prefer a recycled towel with exceptional quality and performance. Designed for use with our controlled-use dispensing systems.

- Green Seal-certified
- Attractive embossing for upscale facilities
- Stylish & sophisticated appearance

EcoSoft™ GREEN SEAL CERTIFIED

EcoSoft™ Green Seal™ Towels and Tissue

EcoSoft™ Green Seal™ controlled roll towels and tissue satisfy those who prefer to purchase quality products manufactured with methods less harmful to the environment. These towels and tissue are 100% recycled and exceed EPA guidelines for post-consumer wastepaper content. Roll towels are designed for use with our controlled-use dispensing systems.

- Roll towels are available in natural and natural white
- Tissue products feature patented OptiCore® technology
- Towels and tissue exceed EPA guidelines for post-consumer waste

optiSOURCE®

OptiSource® Soap

OptiSource® soap products are available in 1000mL and 1250mL liquid and foam formulations to promote superior cleanliness in a variety of applications.

- Lotion and foam lotion soaps are Green Seal™ certified
- Ideal for multipurpose use in washrooms
- Non-alcohol instant hand sanitizing foam kills 99.9% of germs without the harsh drying effects of alcohol
